<u>VERNON S. BRODERICK, United States District Judge:</u>		

I am in receipt of the parties' joint letter, dated March 8, 2024, (Doc. 24), and proposed Case Management Plan and Scheduling Order (the "CMP"), (Doc. 23). Rather than list specific dates for the discovery deadlines, the parties tethered several of the dates in the CMP to the date of my decision on Plaintiff's anticipated motion for class certification, which Plaintiff proposes filing by December 6, 2024. However, the parties have not explained why discovery should remain open while I consider Plaintiff's anticipated class-certification motion. Accordingly, it is hereby

ORDERED that the parties shall file a joint letter, by March 19, 2024, explaining why discovery should remain open while I consider Plaintiff's anticipated motion for class certification. To the extent the parties disagree on one or more issues, the parties should set forth their respective positions as to each disputed issue in separately designated sections of the joint letter.

SO ORDERED.

Dated: March 12, 2024  
New York, New York
